10 Access Live Presentations Guide

You can access the live Masterclasses by selecting 'My Recordings'

10 Access Live Presentations Guide

The screenshot shows a user profile for 'Test Karen' with 0 followers and 2 following. The 'My Recordings' tab is active. Under 'Programs', there are two collections: '2025 Live Masterclass Collection' and '2024 NLP Conference Collection'. Both have a 'View Program' link. An arrow points from the 'View Program' link of the 2024 collection to the next section.

Choose the current collection so you can watch live.

As the collections are quite large, you may need to refresh the screen at this point, to nudge the page to load.

All the Masterclasses are listed in date order (eg 02/25 = February 2025). Before a Masterclass has taken place, it will have 1 step, which is the zoom link.

Click on this step and then click on the zoom link on the right side of the page to join the live presentation

The screenshot shows the '2025 Live Masterclass Collection' overview page. The progress bar is at 0%. The 'Introduction' step is selected and highlighted in pink. Below it, the 'Zoom Link - Sat 8th Feb 09:00 (GMT)' is circled in green. The right side of the page shows the 'Introduction' content with a '2025 COLLECTION Live Access & Recordings' banner.
